

Authorization Renewal

About the Service

The UAE Space Agency issues authorization for new and emerging companies wishing to engage in space activities in the UAE. This authorization allows companies to conduct space activities after meeting all the necessary conditions and providing the required documents that demonstrate technical capability.

Service Process

- Access the Platform: Login using UAEPASS.
- Submit the Application Fill in the application with the required information and sign the declaration
- Review by the UAE Space Agency: Additional information may be requested if needed.
- Renewal of the Authorization.

Required Documents

- Valid commercial license.

Conditions & Requirements

1. The user is responsible for providing accurate and up-to-date information regarding renewal requirements.
2. The user acknowledges that they are responsible for any delays or denial of renewal due to non-compliance with regulatory conditions.

Service completion duration

- 5 working days.
