

Amending A Space Activity Authorization

About the Service

The UAE Space Agency offers a service to amend issued authorizations in case of a change in the nature of the space activity or any of the basic data associated with the authorization to ensure compliance with laws and regulations.

Service Process

- Access the Platform: Login using UAEPASS.
- Submit the Application: Fill in the application with the required information and sign the declaration
- Review by the UAE Space Agency: Additional information may be requested if needed.
- Amendment of the Authorization.

Required Documents

- Updated organizational structure.
- Updated profile including qualifications/experience of key personnel and stakeholders involved.
- Updated copies of passports and UAE IDs of owners and legal representatives of the applicant.
- Valid commercial license.

Conditions & Requirements

1. The user must provide accurate and up-to-date information regarding the amendment request.
2. The user acknowledges that they are responsible for any delays or denial of the amendment due to non-compliance with regulatory conditions.
3. The user must inform the relevant authorities of any changes that may affect the safety of space operations.

Service completion duration

- 5 working days.
